Write something special that you would like Santa to bring you or your family:

Lawn Furniture (because the national guard Chaplain said I should have a family reunion picnic in MY Yard by this time next year)

Please use back or another sheet of paper, if you want to write more. We want to hear your story.

Return by November 30th to:

Mayor's Office, City of Waveland, P. O. Box 539, Waveland, MS 39576

While we were sitting outside, the national guard passed with water & supplies. We mentioned we could not get into our house and we were back here alone. They did not say much, wished us luck & left.

Bright and early the next morning as we sat outside in the yard the national guard truck pulled up & about 10 miracles in uniforms jump off the truck all with chain saw's, starting them up.

While they work the Chaplain spoke with us, he was wonderful. The Captain, (Lambert) I believe his name was just as wonderful.

When they left we could enter our house and start cleaning it out.

I don't know what would have become of us if our miracle boys had not come to our rescue.

I'm sure they helped a lot of people while they were here & they MAY not remember all of us. But we will certainly remember them.
